Preparing for year-end!

Year 2023 is passing quickly, and we have once again made some changes to our online filing that will hopefully ease some of the pain of completing your annual financials. You'll hear more about them when we get closer to the filing season.

Start now by entering your online [WNGates.com](https://wngates.com) account to make certain the information is correct.

We're aiming for perfection...and hope you are, too!

Perfection...

Perfection: not one drip!

Here's the deal: My wife & I recently moved to a new location with the opportunity to cultivate our backyard with nice bed on the edge of our patio.

- The bed was designed by a local “grounds purist” who takes amazing pride in the look, the art, the design...on & on.
- Watching him add, move, or take away a plant to enhance his desired product was a delight.

Go deeper: As I thought about it, gave me the impression that he was seeking the perfect bed.

- To me that means he was creating a garden that people would admire and appreciate, adding to the beauty and natural look of the area, and, in my opinion, a work of art!
- The final touch: a perfectly level bird bath!

Why it matters: The process reminds me of our [WNGates.com](https://wngates.com) work over the years. Throughout its many years of existence, high-quality production has been the motivating factor that has resulted in continued success since 1878. And, we're not done. We continue to strive to improve, evidenced by our recent updates, which are very much the result of your suggestions.

The bottom line: Keep the ideas coming - we're here to help make your closing easier and more efficient!

John Guaspari in his 1985 book entitled [***I know when I see it: a Modern Fable About Quality***](#) (yes, it still applies!) nailed it when he defined quality. We hope you join us in continuing to strive for perfection as we share ideas and join Mike, a fellow Phillies fan and grounds purist!

Have a great fall...enjoy the sports or the outdoors, books, or whatever!
Go Phillies!
